THE SUMMER SESSION AT MARY WASHINGTON COLLEGE

The Summer Session is designed for the interests and educational needs of many students. The May session, of three weeks duration, is designed for any typical student attending a college that operates on an early semester plan. Classes normally meet for three hours a day for five days a week. In this session, a student may earn three or four semester hours of credit and still be free for employment and for vacation in June, July, and most of August.

The June and July sessions can meet the needs of college students and adult learners. Courses are offered throughout the day and in the evening. Daytime classes in the June and/or July sessions normally meet for two hours a day, five days a week, for four weeks. Most evening classes in these two sessions meet for two and one-half hours Monday through Thursday. Some evening classes, however, meet for two and one-half hours, twice a week, for seven or eight weeks. It is possible to receive six or seven credits in each of the two sessions. All together, that is in the May, June and July terms, a student can earn a full semester of credit which is fifteen or sixteen hours.

Qualified rising high school seniors may wish to "taste" college work by selecting a course or two offered in the July term. School teachers may wish also to expand their learning during the July term or by taking late afternoon and evening courses in the May and June terms.

Finally, there are workshops designed for specific purposes and for specific people. The Summer Session has something for everyone. Enroll now and be ready for classes when they begin.

THE HONOR SYSTEM AT MARY WASHINGTON COLLEGE

The Honor Code at Mary Washington College serves to provide mutual trust between the students, the faculty, and the administration. The Honor System functions as the primary unifying force to promote and maintain the atmosphere of freedom and trust that is essential to intellectual growth and maturity. The students at Mary Washington feel that an operative Honor Code contributes to this atmosphere by assuring that courses of study are pursued independently and freely to each student's satisfaction. The perpetuation of the Honor System relies upon the interaction of each student in his support of the System.

The Honor Code is founded upon certain assumptions and premises which every student must fully understand in order to actively support the System. Our system is based on a strong belief in the necessity of the fundamental honesty and integrity of each member of the college community. The student's integrity is the very spirit of our way of life at Mary Washington College.

Each student must realize that by accepting admission to Mary Washington he/she has acknowledged his/her obligation of commitment to the provisions of the Honor Code. Upon matriculation at the College, each student is counseled on both the ideas and the specifics behind the Honor System. Following counseling, each student must sign an Honor Pledge Card, thus endorsing a code which prohibits lying, cheating, and stealing. It is only with this acceptance of the code that a student is considered to be an actual member of the community.

In keeping with the belief in the integrity of all students here, the Honor System also assumes that an accused person is innocent until proven guilty. It is necessary that an accusation against a student be made by another student, a teacher, or College official before any action can be taken by the Honor Council. The Honor Council, composed of eight elected representatives and an elected president, is responsible for interpreting the Honor Code and for seeing that no student is found guilty without a fair hearing. This council is convened only at the request of the student accused of the violation. It has no investigative powers at all; these rest completely with the accuser.

The Honor System at Mary Washington recognizes that the student is a mature person who is responsible for his own actions. It does not function solely as a system of rules and regulations but complements the academic environment. The idea of having an Honor System originated with the students; likewise, the enforcement and continuation of the system is in the students' hands.

The benefits of the Honor System are many. The feeling of trust among students, teachers, and College officials contributes greatly to the amount of freedom extended to each individual. One's word of honor is accepted as such. Instructors often give take-home tests, and tests and exams are unproctored. Students are free to browse leisurely in the bookstore and in the stacks of the library. As in any atmosphere of freedom, there is also present the need for responsible action to protect that freedom. An active awareness of this responsibility contributes to the maintenance of the spirit of the Honor System, making it more than just a cherished tradition or ideal. It is, indeed, a life force within the community, an integral aspect of Mary Washington College.

Prepared by the Honor Council

All students who are new to Mary Washington College should read carefully the information about the Honor Code at the College. The Honor Pledge must be signed and returned with the application materials.

GRADES WILL BE WITHHELD UNTIL THE HONOR PLEDGE IS SIGNED AND ON FILE AT THE COLLEGE.

Class Meeting Days

Fifteen semester hours of credit plus one hour of physical education may be earned during the Summer Session. Maximum student load may be two courses during the June term, two courses during the July term, and/or one course in the May term. Except as indicated, each course carries a credit of three semester hours. Classes meet daily, Monday through Friday, unless noted otherwise (M-R for Monday through Thursday; M-S for Monday through Sunday; MWR for Monday, Wednesday and Thursday; T,R for Tuesday and Thursday; M,W for Monday and Wednesday).

Policy Statement on Class Cancellation

The classes shown in the summer schedule will be taught except when unforeseen circumstances arise. In those cases, the College reserves the right to cancel any course. Such circumstances might include illness of the instructor, an enrollment fewer than eight students or for other reasons. A student registering for a course that is subsequently cancelled will be given the option of enrolling for another course or receiving a full refund of fees paid.

ADMISSION AND REGISTRATION INSTRUCTIONS FOR STUDENTS ATTENDING THE 1983 SUMMER SESSION MARY WASHINGTON COLLEGE OFFICE OF SUMMER PROGRAMS

A student must be admitted to the Summer Session at Mary Washington College before he or she may register for classes and reserve college housing. Forms are enclosed which, when completed and the fees paid, will accomplish these processes. The forms included are the Summer Session Application (complete both sides), the Virginia In-State Tuition Form (complete both sides) if you wish to claim Virginia domicile for reduced tuition purposes, the Registration and Fees Sheet, and the Housing Application, if needed. The processes can be completed either by Mail or at On-Campus Enrollment.

Questions regarding any of the following processes should be addressed to the Director of Summer Programs, Mary Washington College, Fredericksburg, Virginia 22401 or by calling (703) 899-4614.

Mail Enrollment. A student enrolling by mail must complete all of the enclosed forms that are appropriate and pay all fees when the forms are returned. Mail enrollment for the May term must be received by May 11, for the June term by June 1, and for the July term by June 29. All information requested on the forms must be provided in the appropriate spaces. Failure to complete all forms will delay the enrollment process. Time permitting, a student will be mailed a listing of the course(s) for which he or she is enrolled. No letter of acceptance will be mailed. See below the description for completing the Registration and Fees Sheet.

On-Campus Enrollment. A student may enroll in person between the hours of 4:00 and 7:00 p.m. on the following Mondays, May 16, June 6, and on Tuesday, July 5. The enrollment process will be accelerated by arriving with all forms completed.

A student who will take courses in more than one summer term may register for courses in other terms at the first appropriate registration date. This will eliminate the need to be present for subsequent registration periods. The enrollment process will be accelerated further by arriving with all forms completed. The student must be prepared to pay all fees at the time of registration. See below the description for completing the Registration and Fees Sheet.

Registration for Courses Taught at Special Times. The dates for these courses are shown in the course descriptions. A student who plans to enroll for one or more should do so by

mail or register on the first day of one of the regular terms. Students registering only for a course beginning after the first day of a regular summer term should register by mail or on the first day of the course at a time which does not interfere with class attendance. See below the description for completing the Registration and Fees Sheet.

Description for Completing the Registration and Fees Sheet. This form is divided into two sections. In Part I of the form, the student lists the subjects he or she wishes to take, and, in Part II, costs are determined.

Consider an undergraduate student who wishes to take one course in the May term, two courses in the June term, is a Virginia resident, and will live in college housing, double occupancy.

1. Provide the name, social security number, etc. at the top of the form.

2. List on the line titled May Term the subject desired. Place all course abbreviations and numbers on this line that are contained in the identical lines before the course title as shown in the Schedule of Courses.

3. Repeat the process in the heading June Term for the two courses selected.

4. Add the number of credits for which the student registered and place the sum in the box titled Total Credit Hours.

5. In Part II, item 2, tuition and fee costs are determined. Multiply the number of credits for the May term (3) by $35 per credit hour for Virginia residents and place $105 in the column titled May Term. (Note that Virginia and Non-Virginia residence rates are shown both for undergraduate and graduate credits.)

6. Multiply the number of credits (6) for the June term by $35 per credit hour and place $210 in the column headed June Term.

7. Add the $105 and $210 and place $315 in the Total column.

8. In item 3, room and board fees are determined. Place $273 in the May Term column and $364 in the June Term column. Add these amounts and place $637 in the Total column.

9. Add the amounts shown in the Total column which include the $15 application fee, $315 tuition and fees, and $637 room and board.

10. Place $967 in item 4 of the Total column. Write a check for this amount payable to Mary Washington College and present it with the completed forms either by mail or in person at registration. See Payment of Fees located elsewhere if you wish to use VISA or Master Charge for these payment purposes.

General Procedures

1. Read carefully the information concerning the Honor Code at Mary Washington College and submit the appropriately signed Honor Pledge on the Summer Session Application.

2. All applicants who claim privileges based on Virginia domicile (one's legal abode) must complete the Virginia In-State Tuition Form and return it with the application.

3. Summer Session applicants who are currently enrolled in another college or university, applicants who intend to transfer the credits earned to another institution, and high school students who wish to enroll for Summer Session courses must have the appropriate official complete the approval statement on the reverse side of the application.

4. Note that admission to the Summer Session is for only that session. Should you wish to take courses during the regular college year, it will be necessary for you to complete the appropriate application process with the Dean of Admissions and Financial Aid.

5. No formal letter of acceptance will be mailed to the candidate. If additional material is needed before approval can be granted, the candidate will be so notified by the Director of Summer Programs.

6. Consult the 1983 Summer Session Calendar for deadline dates to add and drop courses without penalty.

7. Graduate students admitted to the MALS program are exempt from paying the $15 application fee.
